If you need a reasonable accommodation to attend/participate in this meeting, please contact the ADA Coordinator, Frances Nwajei, at 781-393-2439 or fnwajei@medford-ma.gov. Please note that while the City will make every effort to fulfill the request, some requests may not be fulfilled due to the hiring and availability of outside contractors.

Medford Energy and Environment Committee Mission: To promote policies and actions that make Medford more sustainable by encouraging resource conservation, improving climate resiliency, and increasing the use of renewables to meet present and future needs of the Medford community.
